

«What Holds Us.» · Conditions for Participation

Thank you very much for your interest in the project «What Holds Us.»
Below you will find some information and conditions. If you agree with them, I would be delighted to hear from you so that we can discuss further details and/or arrange an appointment. I am also happy to send you the interview questions in advance.

Conditions

Time required:

Approx. 2 hours (conversation/interview recording and photography)

Location:

Ideally in my studio/atelier in Ermensee. If this is too far for you, I would also be happy to visit you by prior arrangement (space required for photographic equipment: approx. 4 x 4 metres).

Your consent:

I require your consent that:

1. the photographs may be shown in an exhibition (either anonymously or identified by first name).
2. the audio recordings may be used in the exhibition (anonymously).

(Participants under the age of 16 require the consent of a parent or legal guardian.)

You will be asked to sign the consent form before the start of our conversation.

As a thank you, each participant will receive a photographic print (10 x 15 cm) after the completion of the project. Additional photographs can be purchased afterwards at favourable conditions.
